April 22, 2010

"Beyond CFLs: New ways to lower your energy costs," is the topic of a town hall meeting, presented by the Citizens Utility Board, at 7 p.m. April 28 at River Forest Public Library, 735 Lathrop Ave.

Participants will learn about the Smart Meter Pilot, the latest clean energy policies in Illinois.

A representative of CUB will explain how to understand your utility bills and offer incentives to help you become more energy efficient. Attendees will receive a free, money-saving CFL light bulb.

CUB is a nonprofit, statewide utility watchdog organization created by the Illinois General Assembly to work for lower electric, natural gas and telephone rates for residential and small business consumers. Call (708) 366-5205 to sign up.
