The Citizens Utility Board will talk to residents about a new rate freeze on several low-cost local calling plans at 6:30 p.m. Thursday at the Richton Park Public Library, 4045 Sauk Trail.

"Most people are paying too much for phone service, but CUB can help you deflate your bloated phone bill," Citizens Utility Board executive director David Kolata said. "We've been showing consumers how to cut their phone bills by hundreds of dollars a year, and that's good news in tough economic times."

Residents also will learn about the CUB Cellphone Saver, an online tool that automatically analyzes individual wireless bills, Consumer's Choice local calling plans, Illinois' best long-distance plans, including how to get an automatic \$10 credit negotiated by CUB and Line-Backer, an optional AT&T service that CUB officials said most people don't need.

Attendees should bring their phone bills. Registration is required.
