Lombard, IL —

The Citizens Utility Board (CUB) will help Villa Park residents save hundreds of dollars on phone bills at an informational meeting Tuesday.

A CUB study estimates Illinois callers could be overpaying by more than \$1 billion a year in phone bills. CUB offers various tips and clinics to help consumers save on costs and bills.

The free clinic will be held at 6 p.m. Tuesday(2/15) at The Villa Park Library, 305 S. Ardmore Ave. For more information, call the library at (630) 834-1164.

Consumers can also visit www.citizensutilityboard.org for more information.
