WMBD/WYZZ News Staff -- If the cost of your Ameren bill going up this summer -- help is available. Citizens Utility Board is teaming up with the Environmental Law and Policy Center to promote energy efficiency. CUB wants Ameren customers to know that 78-million in new...Money-saving, energy-efficiency programs -- are available. These programs can help save the average homeowner one hundred dollars or more on energy bills this year. Other incentives include discounts on energy-

efficient lighting, a-c equipment, rebates on thermostats, and fifty dollar payments for recycling unwanted refrigerators.
