

# Stop Ameren's \$111 million rate-hike plan!

Illinois Commerce Commissioners  
527 E. Capitol Ave.  
Springfield, IL 62701

Dear ICC Commissioners:

Please block Ameren's original \$111 million gas and electric rate-hike proposal. In the last three years, Ameren has been granted more than \$200 million in rate hikes. Now, Ameren's back for more.

Testimony filed by CUB and the Illinois Attorney General's office shows the rate hike should not only be wiped out, but consumers should be given a \$2.2 million RATE REDUCTION.

I cannot afford rate hikes of this magnitude, especially as Ameren turns in one profitable quarter after another. Please take a stand for consumers and reject Ameren's exorbitant rate-hike plan.
