NOT a Utility.

NOT a Retail Electric Supplier.

A new roofless solar solution for Illinois.

Tired of retail energy gimmicks and green power premiums?

Illinois has a new renewable energy solution: **Clearway Community Solar**

Dear Current Resident,

Are you looking for ways to reduce your electric utility bill? Or, do you want to support locally-produced renewable energy without paying a premium? Doing both is now easier than ever, thanks to **Clearway Community Solar**.

Clearway, a top five renewables company in the U.S., is now developing local solar farms throughout Illinois, and we would like to invite you to join the community. You are guaranteed to save on power—without rooftop installation, without upfront costs, and without any more hassles.

When you subscribe to a Clearway Community Solar farm, you'll earn solar bill credits for the energy produced—and are guaranteed to save 20% on the cost of those bill credits.

Clearway builds and maintains solar farms throughout Illinois.

Solar power is provided to your community every month.

You receive bill credits for the solar energy produced, reducing your costs.

Not a utility. Not a retail electric supplier. A new local solar solution.

Dear Current Resident,

Would you like to **support renewable energy** and **reduce your electricity costs**? Now you can do both, thanks to **Clearway Community Solar**.

Community Solar is a leading local initiative to increase renewable power in Illinois and help you save. It's a simple way for residents to **go solar without rooftop installation or upfront costs**. Instead, you can join a Clearway solar farm. No more retail energy gimmicks and no premiums for green power. Finally, supporting renewable energy is made simple and **savings are guaranteed**.

Clearway, a top five renewables company in the United States, is building Community Solar farms in your area and enrollments are now open. You can subscribe to one of Clearway's local solar farms to reduce your electricity costs. Your roof, and your time and effort, is taken out of the equation, but the energy benefits remain.

How Does Community Solar Work?

1. Call **1.866.508.0620** to join your local Clearway Community Solar Farm. Enrollment is easy and you can cancel anytime.**
2. Every month, solar energy is generated by your subscription, powering your Illinois community with renewable power.
3. For the solar energy generated, you receive bill credits applied directly to your ComEd utility bill. You are **guaranteed to save** with your Clearway subscription.

Call **1.866.508.0620** today to learn more about Community Solar and reserve your space on a Clearway Solar Farm. Our friendly solar specialists will guide you every step of the way and provide a free quote – no home visit required.

Go solar the easy way. The convenient way. **The Clearway.**

Sincerely,

Krishna Patel
