## **CUB STATEMENT ON \$200 MILLION COM ED FINE IN FEDERAL LOBBYING PROBE**

The misconduct that ComEd admitted to today is inexcusable. It reinforces why Illinois consumers need to redouble the fight for ethical, equitable, and affordable utility policy. ComEd's actions will speak louder than words in regaining public trust. The company has committed to structural and managerial changes at the request of the U.S. Attorney, but more needs to be done. We will be working in Springfield to pass major utility accountability legislation as soon as possible. –CUB Executive Director David Kolata
